

SPEAK UP

BUILD AN ALEXA SKILL FOR A CAUSE

Thank you for your interest in our workshop. We're asking that you complete a few easy steps so that we can spend more time on the fun stuff during the workshop.

FIRST, CREATE AN **AMAZON DEVELOPER ACCOUNT**. HERE ARE STEP-BY-STEP INSTRUCTIONS:

1. Go to <https://developer.amazon.com>
2. Click "Sign In" in the upper right
3. If you have an Amazon account, enter your credentials
4. If no account, click "Create your Amazon Developer Account"
5. Fill out registration form
6. Accept the App Distribution Agreement
7. Select No and No for monetizing

YOU WILL ALSO NEED TO CREATE AN **AWS ACCOUNT**.

1. Go to <https://aws.amazon.com>
2. Click "Create an AWS Account" in the upper right
3. Sign in with the same credentials as the Developer portal
4. Fill out the form and click "Create Account and Continue"
5. Enter credit card information and click "Continue"
(Your card will not be charged for account creation or for attending this workshop, but it is required for account validation)
6. Enter a telephone number and click "Call Me Now"
7. Answer the call, enter the PIN
8. Select Basic support plan

That's it! We have several great causes prepped for the workshop.
